# About Us

## Our Mission:

*To promote the dignity and independence of seniors who are in need of nutritious meals, companionship, and Alzheimer's care.*

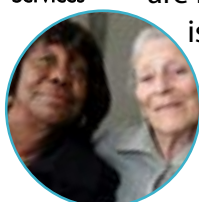

## Our Services:

**Together we deliver more than a meal:** Every weekday in Bexar County, Meals on Wheels San Antonio prepares and delivers more than a meal to over 3,500 homebound seniors. The program helps to prevent hunger among our elderly neighbors and improves their ability to remain healthy and independent in their own homes.

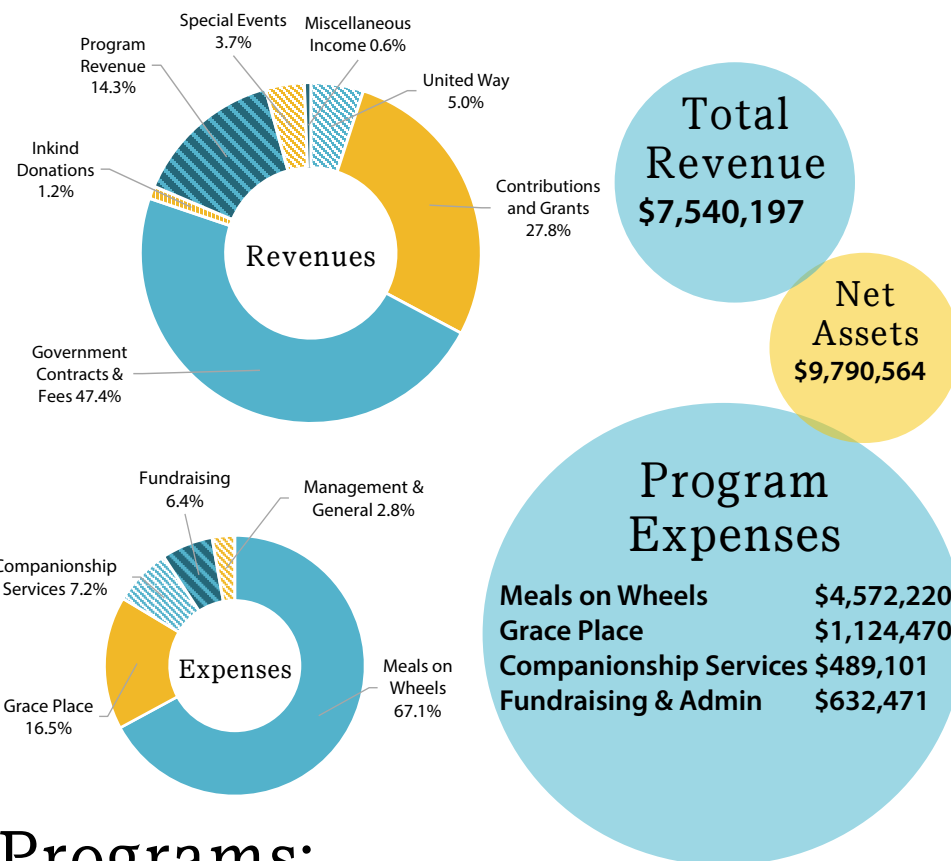

**Love and support flourish here:** Grace Place Alzheimer's Centers are San Antonio's only nonprofit, licensed adult day care locations exclusively for seniors living with Alzheimer's and dementia. Our goal is to alleviate stress by providing affordable and safe respite care through three locations serving over 100 clients and their caregivers daily.

**Fostering independence for seniors:** Often, seniors who are no longer able to leave their homes start to feel isolated and depressed. Elder Friends and Senior Companion volunteers help homebound seniors combat loneliness and isolation. Companionship Services volunteers provide assistance and respite to these seniors and their families.
